

H&K INTERNATIONAL

30" Switchable Refrigerator/Freezer Fresh Flex FR30

Note to user: The 87195 is not intended to replace the grill side freezer for frozen beef boxes. Contact your H&K representative for further details.

Overview

- New, lower height design functions as worktop or undercounter, while providing versatility for various applications inside the kitchen (BDAP/Drive-Thru, Dual Point, Fresh Beef, Fresh Chicken, Protein Fry Station, & Combi Cell)
- Capable of operating as a refrigerator or freezer to maximize flexibility for current & future menu programs
- High capacity propane refrigeration system delivers superior performance to ensure proper product temperatures during peak, high-impact periods
- Illuminated LED indicator lights for refrigerator and freezer operating modes
- Environmentally-friendly R290 propane refrigerant
- Top drawer features bump-to-close. Bottom drawer is self-closing for crew safety
- Self-defrosting with digital controller
- Energy efficient. Meets 2017 Department of Energy
- Large drawers accept a variety of inserts to customize your storage options
- Utilizes same footprint as other 30" H&K refrigerators and freezers
