

F3Dn Frozen Fry Dispenser

**Smaller Footprint,
Same Great Features**

Frozen Fries ... Fast!

*New configuration; ideal for tighter spaces
Stores eight baskets within unit base*

Compare to the Most Common Dispenser

- Dispenses fries twice as fast
- Holds 50% more fries – up to 72 lbs.
- Keeps fries completely frozen until you fry
- Great for extended-hours and 24-hour stores

Simple, One-Handed Operation

- Fast, automatic basket loading
- Dispenses up to 700 baskets per hour
- Choice of three dispense weights:
½ lb. - 1 lb. - 1½ lbs.

Easy Installation and Cleaning

- Just roll in place, plug it in
- Top-mounted refrigeration for cleaner operation
- Only a few pieces to remove for cleaning
- Fry rerun bucket included
